# 101 Ways to Whistle While You Work.

A good humor policy at work defines what is humorous and what is not. Humor is the power tool to build quality products and services. Good humor is wisdom and wit combined. It's easy to work hard when you're having fun. When you can play with a problem, you can more easily find a solution. Incorporating humor at work means balancing work and play.

Hum...Doodle...Mumble...Give flowers...Pass out jello.
Give door prizes...Wear silly clothes...Laugh at yourself.
